Safe medicine habits

- Keep an up-to-date list of all prescribed, over-the-counter, and herbal products. Include allergies and prior medicine reactions.
- Read labels carefully and store medicines out of reach of children. Do not share prescription medicines.
- Ask a pharmacist when a label, dose, timing, or interaction is unclear.

Important reminder

- Never start, stop, double, or change a medicine dose based only on general information.

This fact sheet provides general health information only. It is not a diagnosis, prescription, or substitute for advice from a licensed clinician or pharmacist. For an emergency, seek urgent local medical help. In India, call 112.
